

Lake County Florida IDPA

Stage Name:
Cooking up a fight

Stage 3

Scenario: You are frying some bacon up in the kitchen when a group of PETA activist bust in and try to fry you. Pull your gun from the kitchen drawer and fry their butts.

Gun Ready Condition: Loaded to division capacity and placed in the drawer with extra mags. Shooter is standing at the stove frying pan in strong hand and oven mit on weak hand.

Stage Procedure: At the signal drop the frying pan move to the drawer and open, drawing your gun. Engage the flying target T1 which activates the Up/Down T2. Engage the up down and T3 on the move to P2. Engage T4-6 from cover then move to P3 and engage T7 & T8. All targets receive 2 rounds. FTN do not count for T1 and T2 disappearing targets. Oven Mit stays on the whole time.
