

Lake County Florida IDPA

**Stage Name:
Oscar Drill**

Stage #2

Scenario: This is a skills drill to help the shooter to improve reactionary and decision making skills

Gun Ready Condition: Holstered and loaded to division capacity

Stage Procedure: The shooter will choose 3 cards from the available numbered cards. Safety officer removes the rest. Cards rest on the edge of the table face down. On the signal the shooter flips the cards over, draws gun and engages the targets in the order that the cards are on the table reading the cards from left to right. Example 4,1,6 targets are fired in that order with 3 rounds each. Shooter reloads and then repeats the same procedure with the other 3 cards so that all targets are engaged.
